

# TIC TAC TOE VALENTINE'S GAME

A Valentine that's a game AND a treat!

## What You Need:

- Scissors
- Plastic Baggies
- Smarties (or any kind of colored candy)

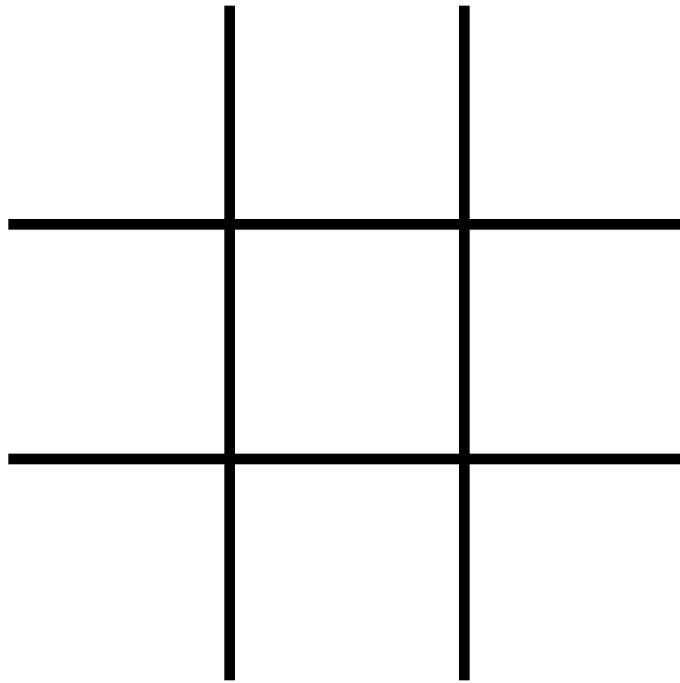

Once you cut out the game boards, drop it in the baggy along with two colors of the candy, so they can be used as game pieces. It's as simple as that!

Don't forget to sign your name so all the kids know who this fun Valentine is from!
